Meditsinskiy Rabotnik, No 31 and 36, 1949.OUTSTANDING MEDICAL WORKERS HONORED

Thanks to the work of the medical workers in Khabarovsk Kray for the past several years, the number of cases of infectious diseases has been reduced, and the quality of medical service to the population has been improved.

By order of the Ministry of Public Health USSR, a group which excelled in this work has been awarded the medal for "Excellence in Public Health." The recipients include: M. I. Asanova, senior nurse, First City Hospital, Khabarovsk; A. A. Onishchenko, senior nurse, plant imeni Ordzhonikidze; N. V. Sokolovskaya, director, Dispensary for Ambulatory Patients No 4, Khabarovsk; G. P. Timchenko, assistant, Chair of Dermatovenereal Diseases, Khabarovsk Medical Institute; and L. S. Khomyakova, consulting physician, Khabarovsk Kray Committee, Medical Workers Trade Union.

In Vologda Oblast, the union of hospitals and polyclinics is being carried out successfully, and medical workers are continuously improving their qualifications. This has raised the quality of therapeutic-prophylactic assistance to the population considerably. By order of the Ministry of Public Health USSR, the best medical workers of the oblast have been awarded the medal for "Excellence in Public Health." The recipients include: L. P. Belyayeva, chief doctor, children's union, Sokol; P. V. Vishnyakov, chief doctor, Nikolsk Hospital; I. A. Vyborov, ophthalmologist, Lezhskiy Rayon Hospital; G. I.
